

Primary scholarship exam 2025 Suggestions

Read the text carefully and answer the question 1, 2 and 3.

Andy : What is special about Saint Martin's Island?

Tamal : It's an island in the Bay of Bengal, and it's the only coral island in Bangladesh. You can see coral in different shapes and colours. And the water in the Bay of Bengal is very clean and blue.

Andy : Oh, that sounds wonderful!

Tamal : Yes, it is! You can also see the turtles on the island. The turtles make their nests on the beach and then they lay their eggs in them. You can see many fish, too!

Andy : Wow! Really? Can I go sailing?

Tamal : Well, you can take a day cruise. You can go on wooden boats or sea truck. The cruises are exciting and safe. They are a great way to see the Bay.

Andy : Thanks for the information, Tamal!

- 1. Match the words of the column A with their meaning that is mentioned in the text in the column B (Two extra meanings are given in column B). (1×5= 5)**

Column A:	Column B
a. Different	i) actually
b. Sound	ii. size
